Change to PILOT-DEMO-01 Version 1. Additional work requires written approval by both parties.

Client need

Customer asks to repaint the whole affected hallway wall.

Intended outcome

Repaint the entire affected hallway wall.

Deliverables

One whole-wall repaint. Existing repair scope remains in the original proposal.

Included work

One wall only, after the four scheduled repairs.

Excluded work

Other walls and hidden damage.

Schedule

Set after written approval.

Client responsibilities

Customer identifies the four repair locations and supplies matching paint.

Price and payment schedule

Description	Quantity	Unit price	Amount
Whole-wall repaint	1	$180.00	$180.00

Subtotal $180.00 | Discount $0.00 | Tax $0.00

Change order total $180.00 USD

Tax omitted for this fictional demonstration.

Amounts round to the nearest cent using half up rounding: each line first, then discount, then tax.

Payment milestone	Amount
Illustrative payment after approved additional work	$180.00

Scheduled payments total $180.00. This schedule does not record money received.

Effect on contract price

Original project $635.00

Previously approved changes $0.00

Revised total if approved $815.00

Acceptance of the original proposal has not been recorded. The revised amount assumes approval of the original and this change.

The revised total is not the outstanding balance. Original payment milestones remain unchanged unless explicitly revised in this document.

Review and acceptance

Review the four repaired locations and touch-up areas together.

Terms

The original scope and payment schedule remain in place. This change is shown as pending.

Authorization

Finalizing this file does not mean the client accepted it. Approval must identify this document number and version.
