Hallway Drywall Repair and Touch-Up

PILOT-DEMO-01 | Version 1 | Fictional sample for review

FICTIONAL DEMONSTRATION ONLY - NOT AN OFFER OR AGREEMENT. DO NOT SIGN.

Prepared for Sample Customer | Demonstration only

Prepared by Example Home Repair | Demonstration only

Date 2026-11-06 | Valid through 2026-12-06

Client need

Repair four hallway drywall openings and touch up the affected areas.

Intended outcome

Four patches are repaired and finished. Touch-up paint covers the patched areas.

Deliverables

Four drywall patches, primer on repaired areas, and touch-up painting of affected areas.

Included work

Prep and protect the work area. Clean up work debris.

Excluded work

Whole-wall repainting, paint matching guarantees, hidden damage, and work beyond the four marked locations.

Schedule

Set with the customer after approval and confirmation that matching paint is available.

Client responsibilities

Customer identifies the four repair locations and supplies matching paint.

Price and payment schedule

Description	Quantity	Unit price	Amount
Patch four drywall openings	4	$85.00	$340.00
Prep, prime and touch-up paint	1	$240.00	$240.00
Repair materials	1	$55.00	$55.00

Subtotal $635.00 | Discount $0.00 | Tax $0.00

Project total $635.00 USD

Tax omitted for this fictional demonstration.

Amounts round to the nearest cent using half up rounding: each line first, then discount, then tax.

Payment milestone	Amount
Illustrative payment after completion	$635.00

Scheduled payments total $635.00. This schedule does not record money received.

Review and acceptance

Review the four repaired locations and touch-up areas together.

Terms

Fictional demonstration for document review. Additional work requires a separate written change order.

Authorization

Finalizing this file does not mean the client accepted it. Approval must identify this document number and version.
